

**REMARKS**

With the above amendments, the title has been amended to reflect that which is listed on the declaration and specification. The specification has been amended to incorporate the International and European priority applications by reference. The claims have been amended to delete multiple dependency and place them in better form for examination. The abstract as been amended to remove the title and all figure references.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for applicant.

Respectfully submitted,

*GRiffin & Szipl, P.C.*
